

# Jamil Ur Rahman

## Software Engineer & Data Scientist

jamirahm2@gmail.com

03121999696

Islamabad, Pakistan

Frontend Developer with 3+ years of experience, & studying data science. Proficient in C++, Python, C#, HTML, CSS, and JavaScript. Strong focus on responsive design and cross-browser compatibility. Skilled in UI/UX design and frameworks like React and Angular. Excellent problem-solving abilities and a passion for enhancing user experience.

## WORK EXPERIENCE

### Software Engineer

CACF

10/2021 - Present Islamabad, Pakistan.

Central Asian Cellular Forum is a digital company providing a wide range of services in the digital landscape including Web Design and Development.

#### Achievements/Tasks

- Optimized Redux codebase for a 20% load time reduction, led code reviews, integrated RESTful APIs for 50% higher user engagement, supported cross-functional projects, and assisted in Agile/Scrum meetings and front-end developer interviews.

### Internee

3GCA/ CACF

09/2021 - 10/2021 Islamabad, Pakistan.

#### Achievements/Tasks

- During my internship, I successfully developed Java modules, automated data processing with Python, implemented JavaScript features, optimized SQL queries, and contributed to HTML/CSS web development.

### Teacher

Leads School and System

08/2016 - 09/2017 Timergara, Dir Lower School
